Cefnogi'r Cwricwlwm i Gymru

- Datganiadau o'r hyn sy'n bwysig
- Y pedwar diben
- Y nodau ac amcanion:
- dylunio'n bennaf ar gyfer dysgwyr rhwng 14 a 16 oed
- adlewyrchu nod Maes Dyniaethau'r Cwricwlwm i Gymru
- i ymgysylltu â'r materion pwysicaf sy'n wynebu dynoliaeth lle bydd TGAU Astudiaethau Crefyddol yn gwneud cyfraniad unigryw a gwahanol.
- trosglwyddo eu sgiliau a'u gwybodaeth i gyddestunau newydd ac anghyfarwydd, gan ddangos annibyniaeth a hyder wrth lunio barn wybodus ac wrth ofyn cwestiynau ymholi soffistigedig.
- Cyfrannu at y pedwar diben

To what extent do you agree or disagree that the proposed design of GCSE Religious Studies supports the Curriculum for Wales?

- Curriculum for Wales is referenced throughout the document.
- Clear links to the ‘what matter’s statements’ and the principles of progression.
- As a whole the curriculum for Wales can be seen through the high level content in the assessment criteria, in particular to NEA elements.
- Is the broad ethos of the Curriculum for Wales strong and clearer enough?
- Issues on no name change raised - Is this out of sink with the CfW?
- The faith and belief based section may appear narrow as only Humanism is mentioned within the non-religious beliefs, possibly further clarity is required to show the possibility of broad study within the themes.
- Concerns raised regarding the statutory requirements of RVE. What will the options be for a learner who does not opt for Religious Studies GCSE but still has to complete statutory RVE.
- What effect will the removal of a short course have on the numbers following a Religious Studies at GCSE and beyond?
- Cyfeirir at Gwricwlwm i Gymru drwy gydol y ddogfen.
- Cysylltiadau clir â'r 'datganiadau o'r hyn sy'n bwysig' ac egwyddorion dilyniant.
- Ar y cyfan, gellir gweld cwricwlwm Cymru drwy gynnwys lefel uchel y meini prawf asesu, yn enwedig elfennau'r Asesiad Di-arholiad.
- A yw ethos eang y Cwricwlwm i Gymru yn ddigon glir a chry?.
- Materion yn ymwneud â dim newid enw wedi'u codi - A yw hyn allan o sinc gyda CaW?
- Gall yr adran ffydd a chred ymddangos yn gul gan mai Dyneiddiaeth yn unig a grybwyllir o fewn y credoau anghrefyddol, efallai bod angen mwy o eglurder i ddangos y posibilrwydd o astudiaeth eang o fewn y themâu.
- Mynegwyd pryderon ynghylch gofynion statudol CGM. Beth fydd yr opsiynau ar gyfer dysgwr nad yw'n dewis TGAU Astudiaethau Crefyddol ond sy'n dal i orfod cwblhau CGM statudol.
- Pa effaith a gaiff dileu cwrs byr ar y niferoedd sy'n dilyn TGAU Astudiaethau Crefyddol a thu hwnt?

- The aims and objectives reflect the rigour and standard required of a GCSE in Religious Studies.
 - It is reflective of the expectations of GCSE standard which enable progression to a level and further within the subject.
 - It is also reflective of the ethos of the curriculum for Wales.
 - Language is a little bit clumsy in places - could make the language more related to the guidance.

To what extent do you agree or disagree with the proposed content (knowledge, understanding, skills and experiences) for GCSE Religious Studies?

- Correctly and appropriately reflective of what would be required for a GCSE which takes into account the Curriculum for Wales.
 - Although diversity is spoken of in one area as is BAME issues has this been developed enough in the proposal to ensure that these issues are reflected throughout the course and not an add-on at the end.
 - Possibly the addition of Diversity as a point within the themes would assist with ensuring that it will be a theme and element running throughout the course.
 - Is there a need to include diversity and BAME learning as part of the purpose and aims to ensure that this aspect is not lost within the construction of the qualification by the examination board.
 - A question was raised if there was a concern that there appeared to be a lack of rigour of religions in depth - particularly from a faith school perspective.
-
- Adlewyrchu'n gywir ac yn briodol yr hyn y byddai ei angen ar gyfer TGAU sy'n ystyried Cwricwlwm i Gymru.
 - Er y sonnir am amrywiaeth mewn un maes yn ogystal â materion BAME, mae hyn wedi'i ddatblygu ddigon yn y cynnig i sicrhau bod y materion hyn yn cael eu hadlewyrchu drwy gydol y cwrs ac nid yn rhywbeth ychwanegol ar y diwedd.
 - Mae'n bosibl y byddai ychwanegu Amrywiaeth fel pwynt o fewn y themâu yn gymorth i sicrhau y bydd yn thema ac elfen yn rhedeg drwy gydol y cwrs.
 - A oes angen cynnwys amrywiaeth a dysgu BAME fel rhan o'r diben a'r nod yw sicrhau na chaiff yr agwedd hon ei cholli wrth i'r bwrdd arholi lunio'r cymhwyster.
 - Codwyd cwestiwn a oedd pryder ei bod yn ymddangos bod diffyg trylwyredd o ran dyfnder crefyddau - yn enwedig o safbwyt ysgol ffydd.

 - Papur crefydd a chred
 - Papur thematig

To what extent do you agree or disagree with the proposed assessment arrangements, including the role of digital technology, for GCSE Religious Studies?

- The concept of assessment with a combination of NEA and examination is appropriate and fair.
- NEA it was felt that this could be a good opportunity for engaging with lived religion.
- It was felt that all assessment at the end of the course would be overly onerous on both learner and teacher. Additional, it would not necessarily get the best out of learners.
- In previous examinations learners have been able to complete and early entry at the end of year 10 which historically has been successful and takes pressure off learners in year 11, it was felt that this early entry should remain.
- The summer term of year 10 might be a good time to begin the NEA following the completion of external examinations, learners' knowledge and understanding is fresh from preparing for the examination so they felt that this would be an excellent time for learners to achieve their best.
- Teachers and learners would benefit from broad options within the NEA with varying styles of assessment, allowing for differing abilities and strengths of learners.
- There was some concern regarding teacher workload with NEA particularly those centres that will continue to enter full cohort, it was felt that careful consideration would need to be given on assessment of the NEA and the expectation of marking.
- Is 30% NEA the correct proportion?

- Mae'r cysniad o asesu gyda chyfuniad o NEA ac arholiad yn briodol ac yn deg.
- NEA teimlwyd y gallai hwn fod yn gyfle da i ymgysylltu â chrefydd byw.
- Teimlwyd y byddai'r holl asesu ar ddiwedd y cwrs yn rhy feichus ar y dysgwr a'r athro. Yn ychwanegol, ni fyddai o reidrwydd yn cael y gorau o ddysgwyr.
- Mewn arholiadau blaenorol mae dysgwyr wedi gallu cwblhau a chofrestru cynnar ar ddiwedd blwyddyn 10 sydd wedi bod yn llwyddiannus yn hanesyddol ac sy'n cymryd pwysau oddi ar ddysgwyr ym mlwyddyn 11, teimlwyd y dylai'r cofrestriad cynnar hwn barhau.
- Gallai tymor yr haf ym mlwyddyn 10 fod yn amser da i ddechrau'r asesiad di-arholiad ar ôl cwblhau arholiadau allanol, mae gwybodaeth a dealltwriaeth y dysgwr yn ffres o baratoi ar gyfer yr arholiad felly rodden nhw'n teimlo y byddai hwn yn amser gwych i ddysgwyr gyflawni eu gorau. .
- Byddai athrawon a dysgwyr yn elwa ar opsiynau eang o fewn yr asesiad di-arholiad gyda dulliau asesu amrywiol, gan ganiatáu ar gyfer gwahanol alluoedd a chryfderau dysgwyr.
- Roedd peth pryder ynghylch llwyth gwaith athrawon gydag NEA yn enwedig y canolfannau hynny a fydd yn parhau i fynd i mewn i'r garfan lawn, teimlwyd y byddai angen rhoi ystyriaeth ofalus i asesu'r asesiad di-arholiad a'r disgwyliad o farcio.
- Ai 30% NEA yw'r gyfran gywir?

To what extent do you agree or disagree that the proposal for GCSE Religious Studies meets the reasonable needs of learners in Wales? Please consider factors such as accessibility, manageability, wellbeing and progression onto post-16 pathways.

- In general it was felt that the course continued to contain enough rigour to high achieving students to continue with the study of Religious Studies at A level and ultimately degree level.
- It was emphasised that the proposal might benefit from emphasising a range of assessment to ensure the higher achievers and future A level candidates are challenged through differing forms of assessment.
- Yn gyffredinol, teimlwyd bod y cwrs yn parhau i gynnwys digon o drylwyrdd i fyfyrwyr oedd yn cyflawni'n uchel i barhau i astudio Astudiaethau Crefyddol ar lefel Safon Uwch ac yn y pen draw lefel gradd.
- Pwysleisiwyd y gallai'r cynnig fod o fudd o bwysleisio ystod o asesu i sicrhau bod y cyflawnwyr uwch ac ymgeiswyr Safon Uwch y dyfodol yn cael eu herio trwy wahanol fathau o asesu.

To what extent do you agree or disagree that the proposed GCSE in Religious Studies is manageable for teachers to deliver? Please consider factors such as the size of the qualification, resources and the proposed approach to assessment.

- It is manageable if schools ensure that it is delivered in the full GCSE directed hours.
- There is a concern that if schools continued to use the qualification as their response to the mandatory RVE then this would put undue pressure on teachers and learners as they would have to complete the full GCSE course in very little time allowance.
- Appropriate bilingual resources would be essential as would professional learning leading up to the beginning of teaching this GCSE.
- It is essential that everything bilingually the syllabus, resources and professional learning are all in place in enough time for teachers to plan in advance for this new GCSE
- It was felt strongly that Welsh Government and Qualifications Wales need to address the mandatory RVE within the wider qualifications range. As RVE is mandatory then as a basic right there should be some kind of qualification at appropriate levels that learners can attain. Without this support there was concern that schools would either not fulfil the mandatory RVE in year 10 -11 or would try and complete a full rigorous GCSE in mandatory time. The mandatory RVE qualification

- Mae'n hylaw os bydd ysgolion yn sicrhau ei fod yn cael ei gyflwyno o fewn yr oriau llawn TGAU dan gyfarwyddyd.
- Pe bai ysgolion yn parhau i ddefnyddio'r cymhwyster fel eu hymateb i'r CGM gorfodol, mae pryder y byddai hyn yn rhoi pwysau gormodol ar athrawon a dysgwyr gan y byddai'n rhaid iddynt gwblhau'r cwrs TGAU llawn mewn ychydig iawn o amser.
- Byddai adnoddau dwyieithog priodol yn hanfodol fel y byddai dysgu proffesiynol yn arwain at ddechrau addysgu'r TGAU hwn.
- Mae'n hanfodol bod popeth yn ddwyieithog y maes llafur, adnoddau a dysgu proffesiynol i gyd yn eu lle mewn digon o amser i athrawon gynllunio ymlaen llaw ar gyfer y TGAU newydd hwn.
- Teimlwyd yn gryf bod angen i Lywodraeth Cymru a Chymwysterau Cymru fynd i'r afael â'r CGM gorfodol o fewn yr ystod ehangach o gymwysterau. Gan fod CGM yn orfodol, yna fel hawl sylfaenol dylai fod rhyw fath o gymhwyster ar lefelau priodol y gall dysgwyr eu hennill. Heb y gefnogaeth hon roedd pryder na fyddai ysgolion naill ai'n cyflawni'r CGM gorfodol ym mlwyddyn 10 -11 neu'n ceisio cwblhau TGAU trwyadl llawn mewn amser gorfodol. Y cymhwyster CGM gorfodol

Overall, to what extent do you agree or disagree with our proposal for GCSE Religious Studies?

- As a whole the qualification is appropriate and suitable for GCSE learners.
 - Certain aspects as spoken of above need further thought and discussion, consideration with possible amendments:
 - Ensuring the message on diversity and BAME is clear within the proposal
 - Amendments to the time scales with assessment
 - Ensuring resources and PL are in place bilingually prior to the start of the course.
 - The need to address issues with assessment for the mandatory RVE.
-
- Ar y cyfan mae'r cymhwyster yn briodol ac yn addas ar gyfer dysgwyr TGAU.
 - Mae angen meddwl a thrafod rhai agweddau fel y soniwyd uchod ymhellach, eu hystyried gyda diwygiadau possibl:
 - Sicrhau bod y neges ar amrywiaeth a BAME yn glir yn y cynnig
 - Newidiadau i'r graddfeydd amser gydag asesiad
 - Sicrhau bod adnoddau a dysgu proffesiynol yn eu lle yn ddwyieithog cyn dechrau'r cwrws.
 - Yr angen i fynd i'r afael â materion yn ymwneud ag asesu ar gyfer yr CGM statudol.
